

» COUNTRY RANGE Taupō

The Country range features six spacious home designs created by Milestone Homes to offer comfortable, modern living with proportions perfectly suited to a rural setting, lifestyle block or larger section size. Generous and designed to connect with the outdoors, the Country range are a top pick for large families or lifestylers seeking space and a touch of luxury.

Taupō

Space and comfort characterise the Taupō plan from Milestone, a traditionally styled home created for country living. Setting the scene for relaxed family life, the separate yet connected kitchen, living and dining spaces flow seamlessly to the adjacent lounge and outdoor living area.

Comprising four bedrooms, two bathrooms and expansive open plan living areas, the Taupō floorplan delivers luxurious family living and classic homestead style.

Highlights:

- Four generous double bedrooms
- Master bedroom with ensuite and large walk-in wardrobe
- Separate lounge with fireplace
- Generous scullery and laundry
- Sheltered alfresco area
- Fully insulated double internal access garage.
