

» MINI RANGE

Corsair

Big on design, small on footprint. Our Mini Range offers smart, stylish homes that make the most of compact living. Each plan in the range is thoughtfully crafted to deliver comfort, functionality, and modern style - perfect for smaller sites, secondary dwellings, or those wanting a simpler way of living without compromise.

Corsair

Smart, stylish, and surprisingly spacious - the Corsair proves that great design comes in all sizes. With a thoughtful layout that maximises natural light and flow, this compact home is perfect as a modern retreat, guest house, or smaller living option.

Contemporary exterior finishes and clean architectural lines give the Corsair a polished look that feels at home in any setting.

Highlights:

- 50sqm floor area - efficient design with a big-living feel
- Choice of one or two-bedroom layout options
- Open-plan kitchen, dining, and living area
- Modern exterior with Oblique weatherboard and vertical metal cladding
- Ideal as a secondary dwelling, holiday home, or first home
